

## Lab 3 – Subscribing to a Collection

1. From the Collection Indexes on the Collections page, expand MITRE ATT&CK
2. Expand Enterprise ATT&CK
3. Click the Subscribe button
4. Select Yes, Keep the Collection Updated in the popup message
5. The Enterprise ATT&CK should now display “subscribed”
6. After a couple of minutes, version 15.1 should show a green checkmark next to it. Click the green checkmark icon

7. Scroll down to view details of the Enterprise ATT&CK v15.1 (i.e. when it was imported, when it was released, as well as any changes)
8. From the ATT&CK Workbench menu, click Matrices
9. Select Enterprise ATT&CK then click View to view the matrix information
10. Browse through each ATT&CK Workbench menu to view the Techniques, Tactics, Mitigations, Groups and Software
